Project Overview

This project presents a complete digital marketing strategy for KhadiCool, a sustainable apparel startup based in Ahmedabad.

The objective is to build brand awareness, generate sales through digital channels, and create a strong community around sustainable fashion.

The strategy includes:

- SEO
- Social media marketing
- Paid advertising
- Influencer partnerships
- Email marketing
- E-commerce optimization

The ultimate goal is to achieve ₹75 lakh revenue within 18 months.

Project Structure

This digital marketing plan is structured like a real marketing agency report:

- Brand Overview
- Market Analysis
- Target Audience
- Marketing Strategy
- Campaign Execution
- Sample Campaign Creatives
- Expected Results
- Conclusion & Recommendations

BRAND OVERVIEW

About KhadiCool

KhadiCool is a sustainable clothing startup from Ahmedabad that produces eco-friendly t-shirts using organic hand-spun khadi cotton.

The brand combines:

- traditional Indian textile heritage
- modern fashion design
- environmentally responsible production

KhadiCool aims to make khadi appealing to younger consumers.

Brand Mission

KhadiCool's mission is to promote sustainable fashion while supporting traditional weaver communities in Gujarat.

Every purchase contributes to environmental sustainability by helping remove 5 kg of plastic from Indian waterways.

The brand focuses on ethical production, transparency, and eco-friendly fashion

Product Portfolio

Heritage Collection

Basic khadi t-shirts available in 8 colours.

Price: ₹899

Artist Series

Limited edition graphic designs created by Indian artists.

Price: ₹1,199

Custom Printing

Corporate events and college festivals.

Minimum order: 25 shirts.

Subscription Box

Quarterly delivery of exclusive designs.

Pricing Strategy.

KhadiCool follows a premium pricing strategy due to:

- organic cotton materials
- handcrafted khadi fabric
- ethical production practices
- limited edition designs

Premium pricing also helps maintain fair wages for weavers.

USP

“Wear Culture. Save Nature.”

MARKET ANALYSIS

Fashion Industry Overview

The global fashion industry is rapidly evolving due to the growth of e-commerce and digital marketing.

Key trends include:

- rise of online shopping
- growth of sustainable fashion
- increasing demand for ethical brands

Young consumers prefer brands that align with their values.

Sustainable Fashion Trend

Consumers today are more environmentally conscious.

They prefer brands that focus on:

- eco-friendly materials
- ethical labor practices
- sustainable production

This trend creates a strong opportunity for brands like KhadiCool.

Market Opportunity

India has a growing population of young consumers who are interested in:

- sustainable lifestyles
- unique fashion brands
- ethical consumerism

This audience is highly active on digital platforms.

Competitor Analysis

Fast Fashion Competitors

- H&M
- Zara
- Uniqlo

Traditional Khadi Competitors

- Khadi India
- FabIndia

These brands compete in terms of price, brand reputation, and style.

Competitor Comparison

Fast fashion brands offer lower prices but lack sustainability.

Traditional khadi brands focus more on heritage but often lack modern design appeal.

KhadiCool aims to combine:

- sustainability
- modern design
- cultural authenticity.

Competitor Analysis Table – KhadiCool
